

For one night, could you give up your bed to raise funds and awareness for Glass Door?

We are delighted to announce that we will host our first ever Glass Door Sleep Out (or IN the church!) at St Mary's Church this year! This year marks the 10-year anniversary of the Glass Door Sleep Out and we're going to make it a special one!

[Glass Door](#) partners with churches and community centres to give shelter and support because no one should have to sleep on the streets of London.

For many years our Parish and our charity team, Parish Action, have supported Glass Door both with fundraising and by opening our church doors to provide emergency shelter to people who live on the street. Unfortunately, Covid put a stop to the night shelter at St Mary's but Glass Door continue to provide shelter, as well as offer advice and support to help people move beyond homelessness throughout the year. And they need our help!
