

Single Use Planet Exhibition

10am - 5pm on 22 - 23 April, 29 - 30 April & 1 May

Wandsworth families are invited to attend Single Use Planet - a free art exhibition at Southside Shopping Centre.

Single Use Planet has worked with over 50 primary classes from schools across Wandsworth to explore single use plastics, and the detriment they have on our planet.

Come along to explore the art, add your eco message and create your own jellyfish design to be in with a chance of winning a prize.

Single Use Planet is a collaborative project facilitated by Wandsworth Council and the Royal College of Art, in partnership with Kids Against Plastic and hosted by Southside Shopping Centre with generous support from White Light Ltd. The project is led by artist Blake C. Joshua. For more information please email: creativewandsworth@wandsworth.gov.uk
