VISION: Delivering excellence, allowing all to flourish
MISSION: Creating a culture of wonder, guided by Christian Faith
VALUES: COMPASSION - ENDURANCE - THANKFULNESS

Today we enjoyed a coronation celebration at St. Mary's. We started our day in a royally decorated hall. Thank you to Mrs Adams for our bunting, but also for creating our crown for King Charles—made up of the children's individual studies of symbols from the four nations of the UK.

During worship, we thought about the promises that King Charles will make during his coronation tomorrow. We thought about promises that we have made and asked God to help us and to help King Charles to keep our promises. All of the children made fantastic crowns from recycled and natural materials and we enjoyed seeing all of the different creations and awarded certificates for the best in each class. The staff team found it really difficult to choose the winners as the standard of crowns was royally high!

After a break we went back to class where we learned more about the coronation before heading up to All Saints Primary School for a picnic lunch and an afternoon of fun activities. I would like to thank the staff—who always enter into the spirit of our special days by dressing up and working hard to ensure all of the children have fun. Thank you to our parent carers, not only those who joined us for worship this morning, but to all of you who supported us up at All Saints and those who worked hard to help the children make their fantastic crowns and to dress them up for this special celebration day.

...As there was no In Touch last week, I would also like to thank Mrs Le Prevost for a fantastic Spring Concert. It is a great opportunity for the musicians amongst us to perform to a live audience. I am very grateful to Mrs Le Prevost for leading this event and for all of the work that went into making it possible. A huge thank you to the stars of the show—the children who shared the fruits of their talents and hard work with us. I really enjoyed watching all of the children perform and was delighted to see the joy that they are getting from their music! Thank you to Mrs Davidson and Mr Lett for their support for the event.

Finally this week, I have attached some fliers which Ms Dunford has asked me to share with you about workshops which are being run by Talk Wandsworth throughout May. Unfortunately, some of the dates have passed, but some of the later workshops may be of interest to some of our families.

Whatever you are doing to celebrate this weekend—have a wonderful time and we will look forward to seeing you all on Tuesday! Have a restful weekend, Cheryl Payne—Head Teacher
