Issue 665

VISION: Delivering excellence, allowing all to flourish
MISSION: Creating a culture of wonder, guided by Christian Faith
VALUES: COMPASSION - ENDURANCE - THANKFULNESS

This week, members of our Eco Committee served up home grown salad in the lunch hall! Many of you may have seen the food that the children are growing just inside the main school gate. Huge thanks to Kate Bolton for her expertise, support and encouragement for the children. They were delighted to be able to taste the fruits of their efforts! Our Eco Committee are making many positive changes around the school and we hope that we will be an 'Eco School' by the end of the year. There is still a long way to go before we are a net zero school, but we are on the journey and the children are leading the way. Thank you to Mrs Bishop for driving this work with the Eco Committee.

A further celebration of the children's work can be seen at the Metro Bank in Cheapside: (<https://www.metrobankonline.co.uk/about-us/press-releases/news/morphs-epic-art-adventure-to-be-hosted-at-london-metro-banks/>). Located alongside some of London's most iconic landmarks, there are 56 six-foot Morph sculptures - each uniquely designed by epic, well-known and emerging artists, providing a fun family-friendly art trail for locals and visitors to follow. There will also be a series of 22 Mini Morph sculptures adopted and created by schools, displayed as part of the adventure and you will have the opportunity to visit our Mini Morph until 20th August. The interactive trail map is live on the Kidscape website: [Art Trail Map - Morph's Epic Art Adventure In London 2023 \(morphsadventurelondon.com\)](http://Art Trail Map - Morph's Epic Art Adventure In London 2023 (morphsadventurelondon.com)). Please do visit our Morph if you can! Huge thanks to Mrs Adams for seeking out and working to ensure our children had this opportunity to develop their artwork and see it on public display!

Speaking of art work, much of the children's art work from this year will be on display at the summer fair on Saturday. Entry to the fair will be through the main school hall where Heidi Wales has worked tirelessly to create an impressive display. I would like to thank all of the parent/carers who are leading the organisation of the fair and those who have volunteered to run a stall. I am very grateful to all of you for giving up your time to support the children of St. Mary's in this way. The Summer Fair is always a very special event in the school calendar and I hope to see many of you there. Don't forget you have the opportunity to vote to gunge a member of the staff team on top of a really fun day out for all the family! Let's keep our fingers crossed for a sunny with a gentle breeze day!

Whatever you are doing this weekend, we hope that you find time to relax and unwind with friends and family and we look forward to seeing you all at the usual time on Monday! Very best wishes,
Cheryl Payne—Head Teacher
